**ADDENDUM #1B: FOB CLARIFICATION**

The FOB (Freight on Board) shipping term within this document indicates where ownership of the merchandise transfers from the seller to buyer. To better represent the intent for delivery per the Bid Specification, DDP (Delivery Duty Paid) shall replace all FOB instances.

In all cases where FOB is mentioned within this bid specification, the Seller is responsible for the freight until such time as the merchandise is delivered to the City of Grand Island, Nebraska Burdick Station (DDP). Once said materials are delivered to Burdick Station, 800 East Bischeld Street, Grand Island, Nebraska, the ownership will then transfer to the Owner.
